Twenty-second Sunday in Ordinary Time

*Why do your disciples not follow the tradition of the elders?
(Mark 7:5)*

If a *little* is good, wouldn't *more* be better? That seems to be the underlying logic of the Pharisees and scribes in today's Gospel reading. They saw the purity rules from the Law of Moses as a good thing—and they were. These rules set God's people apart among the nations and were meant to form his own character in them (see Deuteronomy 4:1,6-7).

But the thirst for "more" of a good thing led to the addition of extra rituals for washing and purification over the centuries. And by the time these Pharisees confronted Jesus about his disciples' behavior, they were trying to uphold countless detailed but unwritten customs that were considered by some to be just as binding as the Mosaic law.

In the end, these attempts to revere God turned into what Jesus called "cling[ing] to human tradition" (Mark 7:8). The extra practices, though well-intentioned, focused attention in the wrong direction.

Jesus' response gets to the heart of the matter—our hearts! What we eat or how we wash our hands doesn't make us unclean. We defile ourselves by our thoughts, words, and actions that spring from within us (Mark 7:23). Growing in purity and godliness starts in our hearts and moves into our words and actions from there.

That means that the answer to your thirst for holiness isn't about adding more "rules" to help you become even more pure. It's asking yourself questions like "What's going on in my heart? What's motivating me?" If you see sinful attitudes, repent. Let the Lord uproot them and replace them with his own thoughts and desires. Then receive God's power to change as you set your heart on loving him and loving the people he's put into your life. That's how you can get *more* of a good thing as you seek to follow God's laws.

"Lord, help me to follow you with all of my heart!"

The First Marists "Arriving in St. Paul **August 30, 1886**, (*the First Marists of St. Louis Church*) Father John Baptist Bigot, (beh-Go) previously superior of Jefferson College in Louisiana, and Father Jean-Marie Portal, vicar at Lawrence, Massachusetts, took over the parish of St. Louis. Poor fellows! They needed shoes which they purchased at a cost of \$10.50 for both pairs. There were no alarm clocks so they bought two for \$4.00. When they arrived there was the tidy sum of \$120.00 on hand. A new school had been built and under their administration it was furnished. Foreseeing the necessity of expansion, Father Bigot bought a house and additional land on Cedar Street."
